Setting

Configuration Menu

Using the Sena Device Manager

You can upgrade the headset's firmware and configure its settings directly from your PC or Apple computer. Download the Sena Device Manager, please visit sena.com.

Using the Sena SF Utility App

You can configure its settings directly from your smartphone. Download the Sena Smartphone App for Android or Apple operating systems from sena.com/SFseries-app.

Troubleshooting

Factory Reset

If you want to restore the SFR to factory default settings, use the Factory Reset in the configuration menu. The headset automatically restores the default settings and turns off.
